PROFILE

Self-taught IT practitioner and former branch manager with three years running a travel agency branch and its technology. Combines client service, ticketing, sales and marketing experience with hands-on server, networking and Linux skills. Currently studying Honours in Islamic Studies (BIU) and a Kamil (Master's) in Hadith.

EXPERIENCE

Branch Manager — Global Trade Link Jan 2023 - Jan 2026

Travel Agency · Araibari, Kasba, Brahmanbaria

- Led day-to-day branch operations and delivered consistent, high-quality client service.
- Managed domestic and international flight reservations, ticketing and sales end to end.
- Planned and ran marketing campaigns to grow the client base and revenue.
- Maintained the branch's IT infrastructure, hardware and business data.
- Served as the branch's go-to person for technical support and troubleshooting.
- Digitised and streamlined administrative workflows with digital tools and Microsoft Office.

PROJECTS
