## PROFILE

Self-taught technology enthusiast and experienced branch manager, bridging the gap between business needs and technology. Academic background in Islamic Economics with a genuine passion for IT and computer engineering — combining hands-on server, networking and Linux skills with practical management experience to solve problems and keep operations running smoothly.

## EXPERIENCE

### Branch Manager — Global Trade Link

Jan 2023 - Present

Travel Agency · Araibari, Kasba, Brahmanbaria

BUSINESS

- Manage daily branch operations and ensure exceptional client service.
- Oversee domestic and international flight reservations, ticketing and sales.
- Execute marketing and business strategies to expand the client base and drive revenue.

TECHNOLOGY

- Maintain internal IT infrastructure, including hardware and data management.
- Streamline administrative workflows using digital tools and Microsoft Office.
